ATTENDANCE ANNUAL NOTIFICATION LETTER

Oscar Encarnacion, Principal

Chris McClain, Dean of Students

September 11, 2017

Dear Parent/Guardian,

According to Senate Bill 1432 all school districts at the beginning of each year are required to notify parents and person(s) standing in a parental relationship with a student about what is often call the Compulsory Attendance Law. This letter is to comply with that requirement, and is intended to inform parents and guardians in advance about the legal action that the Kennard Independent School District may take to enforce this law and penalties that can result.

For your information, truancy may result in assessment of penalties by a court of law against the student's parents or guardians. A complaint against a parent or guardian may be filed in the appropriate court if the student is absence without excuse from school ten (10) or more days or parts of days within a six-month period in the same school year.

For more detailed information, your attention is directed to Sections 25.085, 25.093, and 25.095 of the Texas Education Code. A copy of those provisions of the law is available for your review at the District's main administrative office.

It is our hope that by working together, we can avoid any truancy problems, and any necessity for using any of the laws mentioned above. Thank you in advance for your attention to this letter and for all the help we knoe you will provide ensuring your child's attendance this school year.

Sincerely,

Malinda Lindsey

Mrs. Malinda Lindsey
Superintendent of School
